

CONSTRUCTION TRADES (ADULT) SAMPLER PROGRAM

The Construction Trades Sampler is a 14-week program designed to offer students a hands-on opportunity to gain a basic understanding of three common construction trades:

- Carpentry
- Plumbing
- Electrical

The Construction Trades Sampler program is a 420-hour program broken into sections with varied hours:

- Certification – 25 hours
- Carpentry – 270 hours
- Plumbing – 60 hours
- Electrical – 65 hours

Schedule:

Monday, October 2nd - Friday,
January 19th, 2024

Delivered at Merritt Campus

Indigenous Skills Employment
Training Program (ISETP) in
